Professional Summary

Medical student working to secure Psychiatry Residency. Passion for psychiatry noticed early in core clerkship and fostered through electives and great mentors. Will bring a tireless and efficient work ethic in combination with outstanding clinical experience. Excited to learn from other experienced mentors and work with diverse patient population in becoming board-certified psychiatrist.

Hobbies & Interests

I enjoy riding my beach-cruiser at the park or on the boardwalk with my fiancé and two dogs, Annabelle and Emma. I enjoy watching documentaries on forensic psychiatry. I work with my church and other organizations in providing free dental and medical services to underprivileged communities in California and other parts of the United States.
